**Who would play you in a movie about your life?**

I would be so honored and humbled to choose Viola Davis to play a movie about my life. I think she is an amazing actress such an empowering woman overall.

**What energizes you outside of work?**

I spend a lot of my free time with my niece, who motivates me to want to be better. She is the sweetest little girl and because of her I am inspired to be the best I can.

**If you could be any animal, which would you be and why?**

If I could be any animal I would probably be a bear. They are super protective and loving over their family and I would say I am exactly that.
