Name: Olga Nowlan

City/Entity: University of Texas at Arlington

Title: Student

What led you to this career?

Working in the public sector is very rewarding. This is something I learned at an early age with my first volunteer work

as an elementary student. From that time, it has been nonstop for me. Not only do I work serving the public but I am also a volunteer in my community and church.

What are you currently watching on Netflix?

First They Killed My Father

This is based on a true story about a family who is forced to make heartbreaking choices during a brutal revolution.

What's one thing most people don't know about you?

Most people think that I am a big Elvis fan. I have an Elvis room and own every Elvis movie. However, it is more for the memory that I have of my mother and I watching movies while I was growing up. I also like to see how happy she looks when a Elvis song came on. I especially enjoy how it brings up memories of her youth and I do enjoy listening to her stories about what she did when she a kid growing up in Waco, Texas. So, I am really not that much of an Elvis fan.
